4. Green campus initiatives
5. Disabled-friendly, barrier free environment

Alternate Sources of Energy and Energy Conservation Measures

Energy and Energy Conservation Policy

The policies and initiatives for the conservation of energy, environment and green campus activities will develop a positive environment for everyone. Environment friendliness and conservation are the most important elements today which are the key factors in achieving Sustainable Development Goals for any institution.

• Use of LED Bulbs/ Power Efficient Equipment

As a step towards energy saving, class rooms, labs and hostels are provided with LED bulbs. The advantages of LED lights are

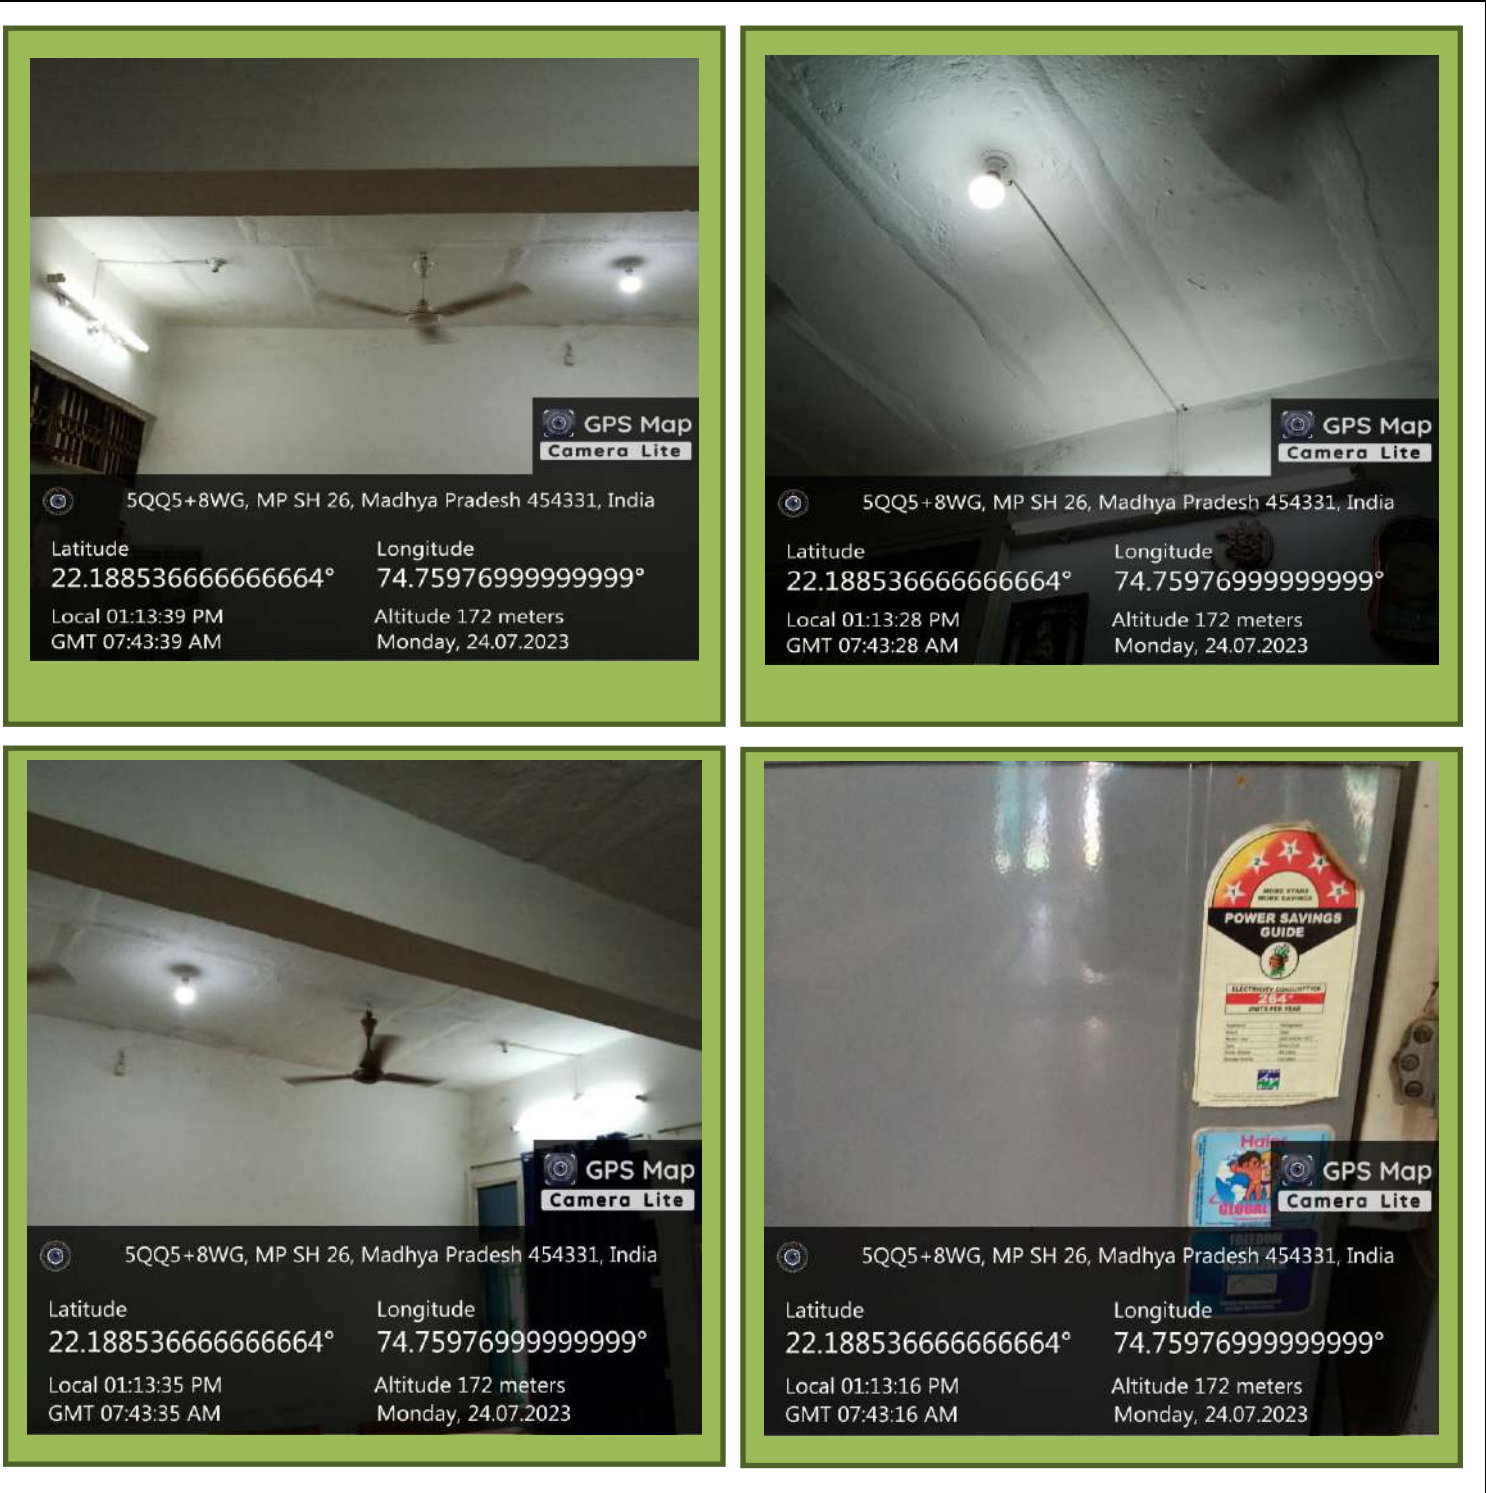

- Long life
- Energy efficiency
- High brightness and intensity
- Low radiated heat
- Reliability

Water Conservation

The college has taken measures to replenish the groundwater through Rainwater harvesting. It is very helpful in the recharge of the wells/tube wells which located inside of the college campus. The college has a proper water distribution system and following water conservation facilities-

- 1- Rain water harvesting
- 2- Bore well
- 3- Water tank of drinking water with RO system
- 4- Water distribution system

2. Management of the various types of degradable and non-degradable waste
3. Water conservation
4. Green campus initiatives
5. Disabled-friendly, barrier free environment

Green Campus Initiatives

GREEN POLICY

Sardar Vallabh Bhai Patel Govt. College Kukshi is committed to make the campus green and clean. The Green Policy of the College details the planning, implementation and monitoring of the eco-friendly initiatives of the College. Planning is to be done by the IQAC and along with the Teachers in charge of NSS/Eco club. Implementation of the Green Policy is through awareness creation among the students and stakeholders. This is facilitated by the various Departments through plantation, essay competitions and study tour. Monitoring and evaluation are done through observation by faculty members.

Green Protocol

The IQAC of the College has the responsibility to develop a Green Protocol for the College. The following are the elements of the Green Protocol-

- Avoid the use of all kinds of disposables
- Use only steel/glass cups.
- Use and throw carry bags are not allowed on the campus.

7.1.2 The Institution has facilities and initiatives for-

1. Alternate sources of energy and energy conservation measures
2. Management of the various types of degradable and non-degradable waste
3. Water conservation
4. Green campus initiatives
5. Disabled-friendly, barrier free environment

Disabled friendly, barrier free environment

According to the **RPWD Act, 2016** provides that **"the appropriate Government shall ensure that the PWD enjoy the right to equality, life with dignity, and respect for his or her own integrity equally with others."** The Government is to take steps to utilize the capacity of the PWD by providing appropriate environment. This Act prohibits discrimination against persons with physical and mental disabilities.

Sardar Vallabh Bhai Patel Govt. College Kukshi is against all forms of discrimination on any grounds. The college aims to provide an inclusive teaching and learning environment that does not discriminate against students and employees with disabilities. Our college provides various facilities to create a disabled friendly and barrier free environmental campus.

FACILITIES AVAILABLE FOR STAFF AND STUDENTST

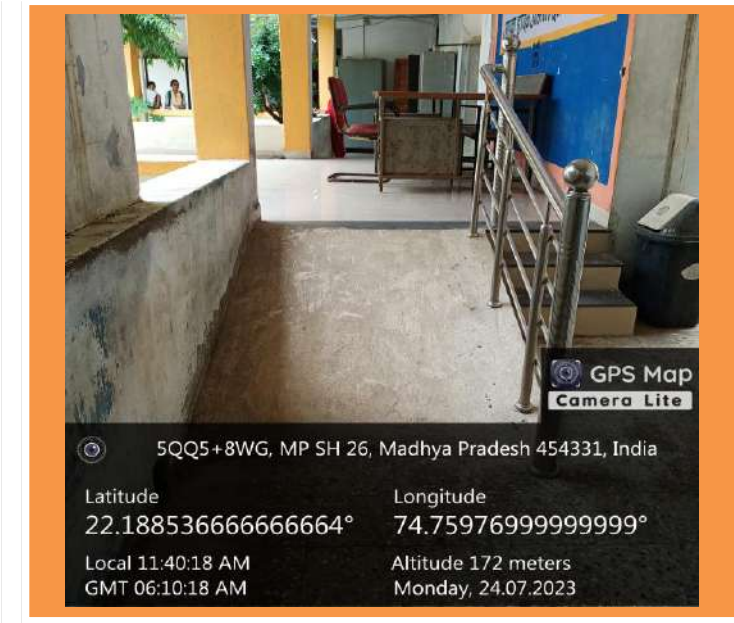

- Hard and non-slip surface ramps and railings
- Disabled friendly toilets.
- Wheel chair facility.
- Other Facilities are provided from time to time as per government rules and regulations.
